TTAG SUMMER INTERNSHIP KICK-OFF

On June 30th, the TTAG Summer Internship kick-off meeting convened TTAG Advisors and interns Sonia Lee (TTA 2019) and Caitlin Dainas, who are entering junior year in the Fall, at Lowell and Foothill High Schools, respectively. Sonia will help with the Branch website update and Caitlin with the Branch Avanti Newsletter. Other projects include creating a google workspace for TTAG, setting up an instagram account, and keeping up with Tech Trekkers. These projects will make for a busy Summer and will be instrumental to successfully prepare for another full season of TTAG events in 2022-2023 that will involve more direct participation from Tech Trek Alumnae. We are also planning the 2022 Tech Trek camper's Welcome Back Party in the Fall: we are excited at engaging new Tech Trek Alumnae and aspiring STEM leaders in joining TTAG!

CONTACT US

It's our goal to bring you workshops, camps, extra-curricular activities, internships, and other exciting opportunities in STEM. Please do not hesitate to contact us if you would like to share with your TTAG community any cool STEM Ed event taking place at your high school. Want to share info and opportunities or give us feedback? Please contact us at: rpcvalle@gmail.com
