- **To apply fill in:** [Tech Trek Volunteer Form \(google.com\)](#)
- **Website:** <https://www.aauw-ca.org/tech-trek/>

## TTAG Announcements

### Summer 2022 Tech Trek Send Off Party

- **When:** Saturday May 21, 2-4 PM
- **Where:** Sports Basement Bryant Street - 5th Floor
- **What:** you will meet and greet the Tech Trekkers selected for the Summer 2022 camps! Share your experience, mentor younger girls and talk about TTAG!
- **RSVP:** @ rpcvalle@gmail.com

## SUMMER INTERNSHIP PROGRAMS

**Summer Volunteer Opportunities at the Marine Mammal Center:** Want to spend your summer break making a positive impact on the ocean?

- **When:** Last Saturday of every month
- **Where:** <https://www.marinemammalcenter.org/.../stewardship-saturday>
- **What:** Join for one event or attend monthly, at no cost and with no commitment. All events will include the opportunity to learn more about ocean conservation and how to start taking action now. Rotating themes exploring the science of the Center, shadowing researchers and veterinarians, creating action projects and more. Also, hear from other youth about their volunteer experiences and explore new resources to help you pursue the right opportunity for you.
- **Who:** high school students in grades 9-12.

### Opportunities for All

- **When:** Summer 2022
- **Where:** Online/In Person
- **What:** Paid summer internships
- **Website:** <https://www.opps4allsf.org/>
- **Apply:** Applications open for waitlist only

### Exploratorium High School Explainers

- **What:** Paid opportunity through the Exploratorium, help engage visitors during visits, perform demonstrations and more
- **Where:** Exploratorium

- **Application:** for the summer 2022 High School Explainer program will be available in March.
- **Website:** <https://explainers.exploratorium.edu/highschool/>
- **Apply:** Applications will be made available [here](#) when there are openings
- **Age:** 15-18 year old high school sophomores, juniors and seniors
- **A word from the Exploratorium:** “Our youngest employees, the Exploratorium High School Explainers are students from diverse backgrounds who engage visitors at exhibits, lead demonstrations, and run many museum operations.”

#### Mission Bit

- **When:** Summer 2022
- **Where:** Online/In Person
- **What:** Free coding classes
- **Website:** <https://www.missionbit.org/programs/classes>
- **Apply:** Applications due May 8

### AAUW-SF & TTAG EXHIBIT at BASF - Sunday April 24

We had a busy booth at the Bay Area Science Festival exhibit at Oracle Park! We had planned a fun and curiosity-filled day with an Insect Discovery Lab, displayed by SaveNature.org, children bug and neuroscience related crafts (make a butterfly ring and make-your-own neuron), and neuroscientist-led show and tell and mini-talk show. Tech Trek Alumnae Julie and Sonia helped spread the word about Tech Trek by distributing flyers and attended the talk show with 10-15 other kids and parents from the public. Everyone asking questions (and there were many) was entered into a drawing to win The Amazingly Enormous STEM Careers Poster. The youngest attendee was a 6 year old girl and his 8 year old brother won the giveaway prize!

Best wishes in becoming a great scientist in the future!
